THE MASTER'S MESSAGE

Hello Brethren;

Happy Spring! I hope that you survived the February 28th late winter high wind and rain weather better than our Lodge building. The building received damage to the vinyl siding along the south wall, damage to the steeple's roof shingles, and the "Widows Walk" railing. After finding the railing materials on the ground, our SD Bro. Michael Drotar made an assent through the hidden caverns and stairways to the steeple roof to assess and seal off the peak from any further damage. Thankfully, Bro Drotar was able to re-roof the steeple before any more damage could be caused by the following week's torrential rains. At our April stated meeting, the Building Committee will be discussing whether to replace the now missing Widow Walk railings, and also report on the time schedule and remodeling plan for our dining room project.

The March Stated which was open under an EA degree was a huge success with five of our newest EA's in attendance for the meeting and lots of fellowship down stairs after the program. Thank you Brother Stewards, your refreshments were met with Masonic smiles.

I am again reminding the Brethren to participate in the many Lodge activities. Since our Installation your Officers have held a semi-public 100th year birthday party, conferred an EA, FC and Master Mason Degree, enjoyed meeting with family and friends at the two monthly Fellowship Potluck breakfasts, held an Official NH Masonic Open House, and traveled on our first Wandering Wayfarer's trip. If you still haven't been able to join in, fear not, as there's a lot more ahead. Check out your Lodge Calendar for a list of all our upcoming events. This month our SW Bro. Joseph Hardy will be looking for your participation in our 8th Annual D.A.R.E. Pancake Breakfast held on April 17th. If you can't volunteer as a cook, server, parking attendant, or cashier, that's ok, just bring your family, friends and neighbors to enjoy this great breakfast tradition and help support our local Police Department in providing the valuable tools for teaching our elementary school children resistance to drug use. April's Stated will bring our DDGM RW Bro. Walter "Joe" Lovell to our Lodge for his official visit, please show your support for this hard working Brother by filling the seats on the side lines.

Still thinking about joining the "Wandering Wayfarers" to enjoy the brotherhood on the road as we travel to various lodges throughout the state and New England, register with Bro. Karl Olson at NHTiger@AOL.com for updates and maps to the lodges so you can either drive yourself or meet us to car pool.

Have you contacted our Secretary yet to reserve your "Horace Chase Stud"? Times a wasting, your personal message could be hidden away behind the finished walls as one of our Lodge's secrets to be discovered by our Brethren in the very distant future and at the same time providing our Building Committee with another source of funds to keep our Lodge in that pristine condition we have all come to expect.

Time for a night out with your significant other? We have the answer, JW Bro. Jason Valley has planned a "Ladies at the Table", and this seven course supper is scheduled for the evening of May 8th.

Lastly Brethren, get the most out of Masonry, **PARTICIPATE!**

Worshipful Master

It's Your Rite

A time there was when a man's word was his bond and his handshake an honor-bound commitment.

Integrity and honor live on in Scottish Rite today among the exceptional Masons initiated into its knightly system of spiritual, moral and social values. Are you destined for knighthood? Find out by joining us for supper in May at a Lodge near you. We'll dine and chat about Scottish Rite, its venerable traditions and the many benefits of membership. We're coming to Holderness, May 8; **Jewel Lodge, Suncook, May 14**; and King Solomon's Lodge, Elkins, May 21. We hope to see you then. For more info talk to your Lodge Ambassador or email us at ed_lewis@comcast.net.
