THE MASTER'S MESSAGE

Hello Brethren;

Happy New Year!!! I hope all have enjoyed a safe and joyous Holiday Season and may I wish you all a prosperous 2011.

It's hard to believe that we're already looking forward to another year, these past months have been so busy that our officers have seldom had time to breath, I thank them for their work and the sacrifices made by their families. Speaking of time, the hours our Building Committee put in to complete the challenging dining room project was huge, finished on schedule and under budget. What a great job, again a **BIG THANK YOU** for your efforts.

To the brethren serving on our various committees, I want to express my sincere gratitude for the job you have done. Your committee may have meet twice a month or twice a year, but without you we would not be as successful as we are. I encourage you to continue working to your fullest potential, remember that our brethren appreciate everything you do.

Ah, **2011** and our **150th Anniversary**, when you think of how many before us labored to keep the lodge in existence and flourishing, and now brethren there's more work ahead of us. Whether you are one of our newly raised master mason's or a seasoned member, if you want to be more involved with your lodge activities or have an idea you'd like to share to help celebrate, please feel free to contact the Anniversary Committee, Chaired by RW Gary Roy, remember, nothing ventured nothing gained.

I'd like to thank RW Bro. Karl Olson, who when asked to coordinate a traveling program, put together a plan. The Wandering Wayfarers are enjoying recognition for their endeavours encouraging Masons to travel and meet with their fellow brethren throughout the State. You're unable to travel and have internet capabilities and wish to follow the progress, just sign on to the Wandering Wayfarer's "Facebook" page and share our experiences.

Finally, I hope to see all of you in the lodge soon sitting on the sidelines and enjoying the work of your Lodge Officers during Stated Meetings and supporting our new candidates as they work their way through their degrees.

Fraternally,
David A. Hardy
Worshipful Master

IT'S YOUR RITE

It's never too late to explore new possibilities in Masonry and it's never too early to get started now. Why wait? The Scottish Rite of Freemasonry is the preferred choice of New Hampshire Masons wanting to go forth in their Masonic travels and our spring class begins soon. By April you could be well on your way toward becoming a 32°

Mason, a distinctive honor and prestigious symbol of your commitment to the Craft. The wise Lao-tzu said once that even the longest journey must begin where you stand. Where do you stand? Life is a long journey. Isn't it time you took that next first step in Masonry by joining the Ancient Accepted Scottish Rite?
